Shiocton, WI 54170

# Senior Safari

## Thursday November 6th, 2025

### 11:00 a.m. to 1:00 p.m.

## Raptor Education Group, Inc. (REGI)

**Presenter: REGI Staff**

REGI is a 501(c)(3) nonprofit (located in Antigo) that is dedicated to the care and rehabilitation of injured or orphaned native bird species and public education of wildlife issues. Founded in 1990 by Marge Gibson and her late husband, Don, REGI was initially focused on educational programming and field research on avian species, but quickly grew to address the need for a rehabilitation center in the area, especially for raptors and swans. Today, REGI takes in anywhere from 800 to over 1,000 patients each year and provides educational programs to hundreds of people. They have been very successful in the rehabilitation of Bald Eagles from West Nile and other avian diseases.

### **Advance Reservations are Required –**
