Navarino DNR Staff—Duck Banding

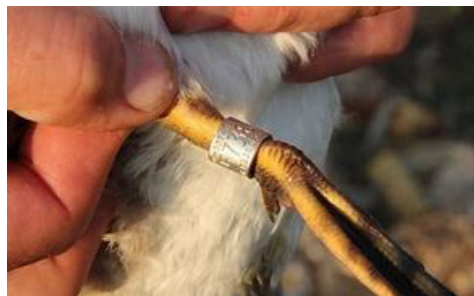

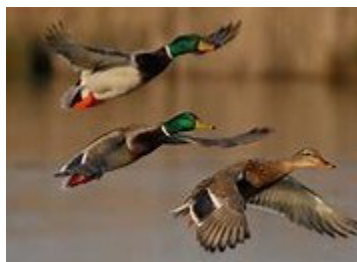

Presenter: DNR Staff

DNR Staff will present on the duck banding operations that go on each year (July to August) at Navarino. You will learn about the mallards, wood ducks, green-winged teal and much more that are banded on Navarino. You will get to look at duck bands up close,

learn to identification of species and adults vs. juveniles.

You will also learn the process of banding ducks. Ducks banded at Navarino have been found in all states east of the Mississippi River, from New York to the Gulf of Mexico.

Advance Reservations are Required –
